

## RECRUITMENT AND SELECTION

The basis of success for companies begins with the **proper selection of personnel**, that is why we offer a comprehensive service with the commitment to **accelerate the growth of organizations** through human capital.

## SOCIOECONOMIC STUDIES

We carry out the research that allows us to **corroborate if the candidates have the profile** that your company needs, collecting and collating economic, family and labor information, **helping to make the right decision** in the recruitment and selection process.

## INTEGRAL LABOR ASSESSMENT

Our service is the best option to **shield the security of your company** through our wide range of tools. You can choose between the **different options** that best suit your needs and put together **your own package** depending on the position you are wanting to cover.

### CHOOSE YOUR OWN PACKAGE

## PAYROLL ADMINISTRATION

We handle payroll schemes with **compensation plans and special benefits** for your most valuable collaborators, with guaranteed confidentiality of salaries and wages with all their administrative operations, as well as the incidences that this implies.

**REPSE: AR20050 - Specialized Services**

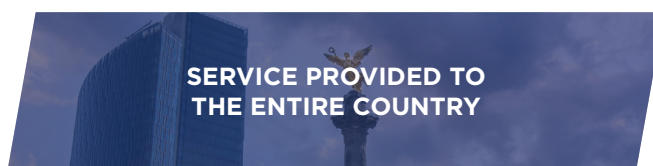

## REGULARIZATION OF EXPATS

We have the **requirements and permits** requested by the National Immigration Institute to hire foreign expats, we generate solutions for the **administration, stay and departure of foreign personnel** in Mexico.

## CLASSROOM RENTAL

We offer you our spaces for your **meetings, conferences, trainings and more**. All of our spaces have multimedia equipment, wifi, whiteboards, and include reception service and coffee break. For your safety, our rooms are clean and sanitized.
